---

## Carrying Case for PI-1600 Accessories

The iM2950 Storm Case™ offers a watertight and crushproof construction that keeps your PI-1600 circuit breaker tester stabs and accessories safe in any conditions. The soft-grip handle makes it easy to haul the case to and from a worksite. The case includes custom foam cutouts for all of the buswork that attaches to the PI-1600, as well as related cables, manuals, and accessories.

Features of this rugged carrying case include:

- Four Press & Pull Latches
- Two stainless steel padlock protectors
- Powerful Hinges
- Specialized molded foam interior designed for PI-1600 accessory's
- O-ring seal
- Two Double-layered, Soft-grip Handles
- Two Integrated Key-Lockable Latches

The PI-1600 Accessories Carrying Case is designed for easy portability and secure handling of the following accessories:

- Input power plugs (1 pair)
- Series/parallel output buswork (1 set)
- Contacts leads (1 pair)
- 1/2 inch vertical/horizontal universal stab set (1 set)
- Remote initiate & miscellaneous cables
- Technical manual
